Text: (explain trip or activity)

The Troop has reserved camp sites at the Valley Forge Volunteer Fire Company Camp Grounds near Valley Forge National Historical Park located in King of Prussia, Pennsylvania. We will meet at Germonds on 4pm on Friday, April 27 for departure and will return before dinner on Sunday, April 29.

The focus of our weekend program will be a tour and hike of the National Park on Saturday, April 28.

Valley Forge was the site of the 1777-78 winter encampment of the Continental Army. The park commemorates the sacrifices and perseverance of the Revolutionary War generation and honors the ability of citizens to pull together and overcome adversity during extraordinary times.

Scouts are eligible for the Resource Stewardship Scout Ranger Patch The Scout Ranger program is a cooperative effort between the National Park Service (NPS) and the Boy Scouts of America (BSA). It is a component of the BSA umbrella initiative Good Turn for America which encourages young people to "Do a Good Turn Daily" (special thoughtful acts of kindness), help other people and participate in community service projects (additional information will be provided through Patrol Leaders).
