Uniform	<input checked="" type="checkbox"/> Class A <input type="checkbox"/> Class B <input type="checkbox"/> None

Text: (explain trip or activity)

This is a great opportunity to provide community service. This will be an ongoing event every 2nd Sat of the month. We are limited to how many scouts can attend each month, so we are asking for one Patrol a month to make the commitment. The deadline to register will be at the 1st troop meeting of the month. The scouts will need to have the person providing transportation for them to stay at the Church in case they finish early.

Scouts will help make sandwiches and bag lunches. This should approximately take an hour or less. The bagged lunches will be delivered at a later time that day to the homeless.

An optional list will be available every month listing items they need to make the lunches (cold cuts, bread). This list will be sent to the Patrol Leader responsible for that month.

See Ms. Sanchez to register.
