Troop Meeting Schedule

Troop meetings occur on Wednesdays from 7-8:30pm (except for the first Wednesday of each month, holidays, and school breaks). The first Wednesday of the month is reserved for the PLC and BOR meetings. The PLC (Patrol Leader Council) meets to plan the meetings for the month ahead. The BOR (Board of Review) meets with the purpose of assisting scouts to advance to the next rank.

During Troop meetings, scouts learn various skills, announcements are made for upcoming activities, and some achievements can be earned. Locations change so please check the [calendar](#) on the troop site for all locations.

Troop 97 Info Sheet 2024

The scout should bring his Scout handbook to all meetings unless otherwise directed. Unless otherwise noted (with advance notice), meetings are in “class A” uniform, which means the full uniform (official scout shirt and pants). Three times a year (Oct, Feb, June) there is a COH (Court of Honor) where scouts are recognized for each of the achievements and awards they have earned. ALL Scouts are encouraged to attend these COHs even if they are not personally receiving any awards, to show their support to their fellow Scouts.

Uniform

It is expected that the scout wears the official Class “A” scout shirt and pants and has sewn on all patches. Extra troop branded supplies, as well as Class “B” shirts, can be purchased from the [troop website](#) including nametags (which are required when wearing the Class A uniform).

Summer Camp

Troop 97 goes every year to [Camp No-Be-Bo-SCO](#) in northern New Jersey. This is a fantastic experience for all new scouts to get achievements and learn more about scouting! In 2024, we will be there from **June 30th-July 6th**.

More information can be [found on our site](#), but for now be sure to book off the time if it sounds of interest. More information will be coming but be sure to let us know if you have questions!

New Scout Welcome Weekend

This will be your Scout's first campout with the Troop! This is a special weekend for the new Scouts to get used to Troop 97 and camping. We will have a cabin for them to sleep in to make this first experience as comfortable as possible. Please have your Scouts join us **April 13th-14th** for a fun and entertaining trip! More information to come but be sure to book off this time.

Advancement

Along their journey, scouts will earn a variety of achievements that lead to advancements through the scout ranks. The most famous of them is the Eagle Rank, but along the way scouts will earn their scout, Tenderfoot, 2nd Class, 1st Class, Star and Life ranks. Each of these ranks has specific goals that you can find in the scout book. Scouts work at their own pace through the year and work with our scoutmasters to “sign off” on these achievements. Eventually, scouts will earn “merit badges” which are for specialty skills where the scout works with a specific merit badge counselor.

For now, the Scout should work on their “Scout” rank which has them learning the scout oath, law, and other skills to get them acclimated to the troop.

Patrols

Each scout will eventually be placed in a patrol. A patrol is a group of scouts that are led by a Patrol Leader and an Assistant Patrol Leader. The Patrol Leader is an older scout that is elected by the rest of the patrol. Each patrol works together during troop meetings and camp outs. Patrols are of mixed ages. Typically, we place scouts in patrols around April or May.
